

# KNIGHT GROUP

The Knight Group is an established specialist supplier to the aerospace sector. We have achieved a number of accreditations and approvals, including AS 9120, allowing our material to be used by a wide range of global manufactures and niche sub contractors.

With reliable sourcing and processing, we supply a wide range of materials including stainless steel, performance nickel alloys and aluminium that are essential for meeting the complex engineering needs within aerospace. Our precision processing with (our niche offer) makes us stand out as a valuable partner to our customers, helping them to reduce the cost of manufacturing.

**Aerospace Approvals  
Including AS9120 Rev A**

**Competitive Pricing for  
Small and Large Quantities**

**Bespoke Processing  
3:1 Width to Thickness Ratio**

**Global Sourcing and Delivery  
to Tight Deadlines**

## AEROSPACE

### Key Approvals

AS9120 Rev A  
Messier-Dowty Approval  
Spirit Aero Approval  
BAE Systems Approvals  
Hawker Beachcraft Approval  
Westland Helicopters  
Meggitt Approval

### Key Materials

Nickel Alloys  
Stainless Steel & Duplex  
Aluminium Alloys  
Titanium Alloys
