KNIGHT GROUP

The Knight Group has over a 75 year history of supplying to the Spring, Precision Stamping and Pressing industry. With our origins as one of the foremost Spring makers under the original E.A. Knight and Sons business, uniquely positions us as high quality Metal Stockist and Processor, to understand both the industry demands and material needs and of our customers in these areas. We have built a loyal customer base of Spring makers and Stampers and maintain a stock in excess of 1000 tonnes of the most popular material, ensure their needs are always met.

Nickel Alloys • Stainless Steel Alloys • Titanium Alloys • Clad Metals

Extensive Range of Quality Metals Stocked

Competitive Pricing for Small and Large Quantities

**Bespoke Processing
3:1 Width to Thickness Ratio**

Global Sourcing and Delivery to Tight Deadlines

PRECISION STAMPING & SPRINGS

As demands have grown and deadlines have become tighter, we have worked closely with our customers to support leaner manufacturing processes and successfully helped our established customers within the Stampings and Pressings industry, to improve their yield and profitability.

Specialising in precision strip metal and wire, the Knight Group, can offer a wide range of high quality materials, processed and delivered to meet the tightest of deadlines, all with competitive pricing. Whether you need small quantities for prototyping or large volumes for mass production, we can deliver what you need, when, where and how you need it.
